**2. Overdue payments**

Interest at 0.05% per month will be charged for all late payments. The Head of School may exclude children from classes when payments are overdue.

**3. Family discounts**

A 20% reduction in tuition fees (only) will be given when parents enrol a third child at the school. However, all three siblings must attend the school at the same time in order for the third child to be eligible for a family discount. Fourth and subsequent children will be granted a 50% reduction. This scheme only applies to siblings with the same legally recognised parents and does not include members of the extended family e.g. cousins

**4. Refund of tuition fees**

When a child leaves the school before half term and we are notified in advance, 50% of the tuition fees (only) will be refunded. When a child leaves school after the beginning of the second half term, no refund of fees will be made.

**5. Enrolment Fee**

We recognise that for some parents the initial payment of an Enrolment Fee represents a large financial outlay and we offer an alternative method of payment for those who would prefer to spread this burden.

Under this scheme, new parents can choose to pay either the Baht 60,000 per child as a one-off Enrolment Fee or pay an additional Baht 20,000 per term for 3 consecutive terms

**6. Withdrawals**

Children leaving our school are required to clear all obligations before final reports, records and completed work will be made available. This includes library books and any other school materials.

**7. Extra Tuition costs**

We are an inclusive school and welcome children with a wide range of current attainment. When necessary, we provide additional specialist support and the associated costs of this are calculated according to the scale of individual need.

**8. Bus Costs**

Our school transport is provided by the Metro Bus Company at a charge of 22,660 Baht per term.

**9. Education Visa applications**

There is a 10,000 Baht administration charge to support Educational visa applications

Thank you.
