Interest at 1.25% per month will be charged for all late payments. The Head of School may exclude children from classes when payments are overdue.

2. Family discounts

A 20% reduction in tuition fees (only) will be given when parents enrol a third child at the school. However, all three siblings must attend the school at the same time in order for the third child to be eligible for a family discount. Fourth and subsequent children will be granted a 50% reduction. This scheme only applies to siblings with the same legally recognised parents and does not include members of the extended family e.g. cousins

3. Refund of tuition fees

When a child leaves the school before half term and we are notified in advance, 50% of the tuition fees (only) will be refunded. When a child leaves school after the beginning of the second half term, no refund of fees will be made.

4. Withdrawals

Children leaving our school are required to clear all obligations before final reports, records and completed work will be made available. This includes library books and any other school materials.

5. Extra Tuition costs

We are an inclusive school and welcome children with a wide range of current attainment. When necessary, we provide additional specialist support and the associated costs of this are calculated according to the scale of individual need.

6. Bus Costs

Our school transport is provided by the Metro Bus Company at a charge of 25,000 Baht per term.
